

Would you like
your meat
raised without
antibiotics?

MASSPIRG
Education Fund

The following Massachusetts restaurants are among those that have taken action to transition away from serving meat raised with antibiotics.

B.Good
Chicken,
Hamburgers

Boloco
Beef, chicken (dark
meat only)

BurgerFi
Hamburgers, Hot
Dogs

Chop't
Chicken, beef

Cosi
Chicken

Chick-fil-A
Chicken (within five
years)

Chipotle
Chicken, pork
Noodles & Co
Pork

Panera
Chicken, Roasted
Turkey Sausage,
Ham (salads and
sandwiches only)

Pret-a-Manger
Chicken, beef, pork

Sweetgreen
All proteins

Tasty Burger
Beef

UBurger
Hamburgers

We are urging McDonalds USA and other restaurants to join their peers and stop the purchase of meat raised with antibiotics.
